It is the responsibility of each WCLA member team to read and understand the WCLA Bylaws and WCLA Operating Procedure documents on a regular basis to ensure their team and league stays in good standing with the WCLA. These documents can be found on the WCLA Website (<http://www.uslacrosse.org/wcla>) and are updated annually.

Please check the WCLA Website for a schedule of important 2011-12 WCLA Deadlines to ensure your team's annual compliance.

Primary Contact Signature: _____ Date: _____

*The contact person for a WCLA member team must be a US Lacrosse member. US Lacrosse membership plugs people into news and programs that will benefit clubs, so we want to make sure someone on your club has that information. They can join by filling out the form at https://secure.uslacrosse.org/default.cfm?fuse_action=NewMem if they are not already a member.

Thanks for your application to the WCLA. We look forward to working with you.

About the US Lacrosse Women's Collegiate Lacrosse Associates

- The WCLA represents a very important constituency of US Lacrosse. Currently the WCLA is made up of over 200+ teams all over the country. The WCLA is led by a council of dedicated volunteers who love the women's college club game and do all they can to grow and support the club programs. The WCLA supports college club teams at all levels (beginners through elite) and looks to the WCLA teams and leadership to provide input and resources to help the WCLA community grow.

- It is strongly encouraged that all of your club members become US Lacrosse members. Besides the benefits they gain (like getting Lacrosse Magazine), their membership supports programs like the WCLA championship and banquet, as well as programs that bring lacrosse to inner city children, help new coaches learn about the game, and the Loan Kit program which loans equipment to new teams in order to get started. These are just examples of how US Lacrosse works to support you and your team and enables the sports to continue to grow in your area. By increasing the number of WCLA participants joining US Lacrosse, the WCLA, will be in a position to yield greater influence within the national organization.

- The WCLA Council and US Lacrosse encourage all WCLA member teams to recruit a person from their school or community to attend a US Lacrosse Women's Division Umpiring clinic. Umpiring is a great opportunity for your team members, family and friends to learn more about the game of lacrosse and give back to the community, not to mention it is also a well-paying and flexible part time job for college students; usually \$50-100/game plus travel costs.
